On 5/9/16, Volodymyr came to the police department and was able to provide a witness statement and insurance information for his vehicle. At that time, I was also able to verify that there was damage to the passenger side of his vehicle. The cost to repair the damage appeared to be in excess of \$1,000.

On 5/14/16, I contacted the US Postal Service Annex Office supervisor. They informed me that there is no video on the west side of the lot. They also stated that no one at the location was familiar with the collision.

I attempted to obtain contact information for the possible suspect vehicle. I have been unable to contact the registered owner. A collision report was completed.

On 4/22/16 at approximately 2046 hrs., I, Michael Hingtgen, was assigned to patrol in the city of Lake Stevens, WA. I was operating a fully marked patrol car with large reflective words "POLICE" on both the driver and passenger side of the vehicle. My patrol vehicle has an attached overhead emergency light bar with both red and blue LED lighting. During patrol, I was wearing a uniform with the with department patches on each shoulder and the words "Police" on the chest and back.

I was dispatched to a phone request involving a hit and run collision incident that had happened earlier that day. The reporting party/victim was identified as Rabchenyuk, Voldodymyr (6/1/76). Voldodymyr stated that at approximately 1552 hrs, he was parked at the Lake Stevens Post Office Annex, 12101 36th St NE. Voldodymyr stated that he came out to his vehicle and found that there was damage to the side of his van. Voldodymyr stated that he had dashcam on the vehicle.

I requested Voldodymyr to provide a statement, a copy the video, and also vehicle information. Voldodymyr stated that he would be able to do that on Monday, 4/25/16.

On 4/26/16, I received a video of the dashcam footage from Voldodymyr's vehicle. The vehicle showed a black in color Mercedes Sprinter Van back into a parking spot on the west side of the location. At approximately 1552 hrs., the dashcam of Voldodymyr vehicle shook violently but there was no vehicle seen. Approximately 30 seconds later the black Sprinter van left the scene. There did not appear to be any damage to the front end of the vehicle when it passed by the camera.

At this time, I have not received any statement from Voldodymyr or vehicle information. Further documentation required for collision report.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING STATEMENT IS TRUE AND CORRECT, AND I AM ENTERING MY AUTHORIZED USER ID AND PASSWORD TO AUTHENTICATE IT.

NARRATIVE

On 4/22/16, Veh #2 was parked along the west side of parking lot of 12101 36th St NE, USPS Annex. Veh #2 was parked along the curbing and vehicles were parked in stalls to the east. This was captured by Veh #2's dash video camera.

At approximately 1552 hrs., Veh #2 was struck by a vehicle in the passenger side door area. Veh #2 had not moved from the previous parked location. Shortly after visual shaking on the dash video camera from the impact, a black in color, Mercedes Sprinter style van, passed by the location and into the camera frame. I was unable to locate any damage to the van from the video. There is no coverage of the impact.

The complex was contacted and no further video footage was able to be obtained.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)
